# NATIONAL ANALYTICAL

*National Analytical gives you access to thousands of secondary sources across jurisdictions and practice areas, including key analytical titles, jury instructions, KeyRules, forms, news, and more.*

## American Law Reports (ALR®)

With thousands of attorney-authored articles covering the entire breadth of U.S. law, ALR organizes and evaluates all caselaw relevant to a specific point of law. Articles examine both sides of an issue to help you anticipate the opposition's arguments.

## American Jurisprudence (Am Jur®)

With cases, statutes, and regulations from all 50 states and federal courts researched and analyzed, you'll be able to use this resource to quickly find authoritative answers to any aspect of civil, criminal, substantive, and procedural law. Access the full suite of Am Jur resources, including popular titles such as Am Jur 2d, Am Jur Trials, Am Jur Proof of Facts, and Am Jur Forms.

## Corpus Juris Secundum® (C.J.S.®)

This comprehensive legal encyclopedia contains over 400 topics that are cited and quoted as authority in courtrooms across the country. In each article, the broad principles of the law are explained and developed in concert with the way they must be applied by the lawyer and the courts.

## Restatements

A chronological perspective of your specific points of law, Restatements are accepted in many courts as persuasive authority. With discussion by nationally known scholars, you'll know exactly what the current status of the law is and where it is likely to go in the future.

## Causes of Action

Determine if a case will hold up in court with materials to help you analyze and prove elements of a claim, determine your client's damages and remedies, formulate arguments and trial strategies, and more.

## Wright & Miller Federal Practice and Procedure®

Comprehensive and authoritative coverage of all aspects of federal civil, criminal, and appellate procedure, including rules of civil, criminal, and appellate procedure, rules of evidence, the federal judicial system, jurisdiction of all federal courts, venue, removal of cases, res judicata, relation of state and federal courts, multidistrict litigation, and more.

## All state, national, and federal analytical content, including
